PETITION
SANITARY SEWER IMPROVEMENTS
TO SERVE
FARMINGTON SQUARE 3RD ADDITION

TO: The Mayor and City Council (the “Governing Body”)
City of Wichita, Kansas

1. The undersigned, being the owners of record of more than one-half of the area liable for assessment set forth below for the proposed improvements of the City of Wichita, Kansas (the “City”), do hereby request that said improvements be made in the manner provided by K.S.A. 12-6a01 et seq. (the “Act”).

   (a) The improvements proposed to be made are as follows (the “Improvements”):

   Construction of a lateral sanitary sewer, including necessary sewer mains and appurtenances to serve the Improvement District defined below.

   The Improvements shall be constructed in accordance with City standards and plans and specifications prepared or approved by the City Engineer.

   (b) The estimated or probable cost of the proposed Improvements is Twenty three thousand dollars ($23,000), exclusive of interest on financing and administrative and financing costs; said estimated amount to be increased at the pro rata rate of 1 percent per month from and after the date of submission of this Petition to the City. If expenses have been incurred for the Improvements and construction has not started within two years of the initial design contract, the Improvements will be deemed abandoned and expenses incurred to date will be assessed against property in the Improvement District defined below in accordance with the provisions hereof.

   (c) The extent of the proposed improvement district (the “Improvement District”) to be assessed for the costs of the proposed Improvements is:

   Lot 1, Block 1, Farmington Square 3rd Addition
   Wichita, Sedgwick County, Kansas

   (d) The proposed method of assessment is equally per lot.

   In the event all or part of the lots or parcels in the proposed Improvement District are reconfigured before or after assessments have been levied, the assessments against the replatted area shall be recalculated on a square foot basis.

   (e) The proposed apportionment of the cost of the Improvements, between the Improvement District and the City at large, is: 100% to be assessed against the Improvement District and 0% to be paid by the City-at-large.

   (f) The payment of assessments proposed to be imposed hereunder may be indefinitely deferred against those property owners eligible for deferral pursuant to the City’s Special Assessment Deferral Program.
2. It is further requested that the proposed Improvements be made without notice and hearing as required by the Act.

3. If the Improvements are: (i) abandoned, altered and/or constructed privately, in part or whole, precluding the building of the Improvement under the authority of this Petition and the Act; or (ii) it is necessary for the City to redesign, repair or reconstruct the Improvements after its initial design and/or construction because the design and/or construction does not meet the requirements of City code provisions; any costs incurred by the City as a result of submission of this Petition shall be assessed to property within the proposed Improvement District in accordance with the provisions hereof.

4. Names may not be withdrawn from this Petition by the signers hereof after the Governing Body commences consideration of this Petition, or, later than seven (7) days after the filing hereof, whichever occurs first.

5. The Governing Body is further requested to proceed with adoption of a resolution authorizing the Improvements and establishing the Improvement District in accordance with the Act and the construction of the Improvements in an expeditious manner.
